INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF NEW RESOLUTION INDIA

Report on the Financial Statements

We have audited the accompanying financial statements of **NEW RESOLUTION INDIA** ("TRUST"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Income and Expenditure Account and Notes to the Accounts for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements,

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Trust in accordance with The Maharashtra Public Trust Act, 1950 and the rules thereunder and the bye laws of the Trust. This includes design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statement that gives true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal financial controls relevant to the Trust's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Trust has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.
